Spring into Action!

Tapestry

Tapestry is a great way for us to be able to share your child's learning journey with you and a great opportunity for you to be able to see what we have been learning.

Please feel free to share any wonderful things that you have been doing at home with us too.

Maybe you could go out on a Spring walk and document what you find...?!

ABBEY ARK CHILDCARE

This term we will be observing the change in season and looking for different signs of spring. We will be noting the different changes in our environment and ourselves, and looking at changes in general. We will be exploring new life with wildlife and animals, looking at life cycles, planting seeds and looking at growth.

Happy Hippos

The Happy Hippos will be welcoming some more new friends this term, so we will be concentrating on our key Personal, Social and Emotional development skills, helping our new friends to get to know our routine and settle in with us.

We have had a wonderful addition to our garden, our very own 'Growing Garden' where we will be planting some seeds, learning how to take care of them and watching them grow.

Jolly Giraffes

As part of our Phase 1 phonics, the Jolly Giraffes will be going on lots of Spring sound walks, listening to the sounds in the environment and hearing those initial sounds.

Like the Happy Hippos, the Jolly Giraffes will also be contributing to our 'Growing Garden', learning all about the importance of growing and nurturing our seeds and crops.

We will also be developing and extending our independent skills in preparation for our school readiness.

Article 29:
Every child has the right to be the best they can.

The Christian Values we are reflecting on in Term 4/5 are Forgiveness & Trust.
