Bourne

3rd April 2025

Dear Parents/Carers,

Here at Bourne Abbey we endeavour to provide our pupils with a robust knowledge of online safety. We also want to provide you, parents and carers, with advice and guidance to help you ensure that parental restrictions and safeguards are in place to protect your children when they are online.

However, we are aware that children are continuing to use WhatsApp and other messaging platforms to send messages and photographs of a concerning nature to other people.

We will continue to address this through our curriculum, but strongly recommend that you regularly check your child/children's devices and ensure that parental restrictions and controls are in place. The school website has information which should provide guidance on how to do this, but we would also highly recommend the website Internet Matters which contains a wealth of information.

internet matters.org https://www.internetmatters.org/

Please do not hesitate to contact school if you have any concerns or questions.

Yours sincerely

Mrs L Leafe
Designated Safeguarding Lead
