15th May 2025

Dear Parents and Carers,

We are excited to announce that Bourne Abbey CofE Primary Academy will be taking part in *Walk To School Week* from Monday 19th May to Friday 23rd May. This is fantastic national initiative that encourages children and families to make walking to school part of their daily routine.

Walking to school helps promote healthier lifestyles, reduces traffic congestion and air pollution around our school, and supports children's independence and well-being. Even if you're not able to walk the entire way, parking a short distance away and walking the rest can make a real difference.

We've included a copy of the Living Streets walking activity pack for families which includes 14 sets of colourful and educational walking activities to support children in learning about important themes while staying active.

Let's work together to make this a successful and enjoyable week for our pupils. We encourage all families to take part, and we appreciate your support in helping make our school community safer, healthier, and more environmentally friendly.

Thank you for your continued support.

Warm regards,

Miss Sandfield and Miss Campbell
Eco Team Leaders
