6th October 2025

Dear Parent/Carer

PUBLICATION OF PHOTOS

You will have seen from our dates for diaries issued last week that we have two very busy terms ahead of us. Parents/carers are invited to many of these events and we do know how important these occasions are to parents and carers in terms of creating memories of your child's early years and do not prevent you from taking photos or videos. However, such images should be for your family use only.

Inevitably in an academy of this size, we do have a number of children who cannot have their images published. I thought it would be timely, given the amount of events, to remind you that group photos of any kind should not be published in any way. This includes uploading to social networking sites such as Facebook, Instagram and TikTok.

Thank you for your support in safeguarding all of the children at Bourne Abbey.

Yours sincerely

Mrs A Petrie
Acting Head of School
