# DANGER! Dungeons and Dragons!

Year 2
2026-27

## Epic English

We will be using Grammarsaurus resources to support our learning in punctuation and grammar. Children will develop their understanding of a range of grammatical skills and learn how to apply them accurately. We will put these skills into practice by retelling the story of Rapunzel.

## Magical Maths!

We will be exploring number and place value at the start of term and using lots of practical equipment to make numbers to 100. We will continue to practise counting in 2s, 5s and 10s and begin to count in 3s! We will then start our addition and subtraction unit and learn a range of methods, including the column method!

## RE

What are sacred texts and why do they matter?

## Music

Understanding pulse and rhythmic notation, producing and performing.

## Science

Understanding the basic needs of animals, including humans.

## PE

'Fundamentals' and 'Invasion' PE skills.

## Computing

Computing Systems and Networks—IT

## Art

Working with colour, shape and texture, focusing on the work of Matisse and Paul Klee.

## History

Exploring medieval castles, how and why they were built, what it was like to live in them, and why they were important.

## PSHE

Jigsaw—Being Me in My World.

During this exciting topic we will be studying some of the Spiritual, Moral, Social and Cultural (SMSC) aspects by listening to our peers' ideas on Election Day and voting for our new School Councillors. In history, we will be exploring why castles were built and what life was like in the past. In RE, we will be looking at the similarities and differences between the worldviews of others and comparing them to our own worldviews.
