

# Year 2 Home Learning Homework

Please find below a selection of 12 homework activities for you to complete. This gives you the flexibility to choose homework that appeals to you. These activities are **in addition** to current reading, spellings and other tasks set.

## History

Have a conversation with a loved one. Who is in your family? Can you make a family tree?

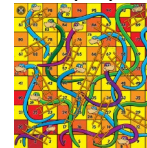

## English

Could you write a letter to a friend or family member to tell them what you have been up to so far?

## Games

Do you have any board games in your house to play? Could you design and draw your own board game and write instructions for how to play it?

## Gardening

If you have a garden, could you go outside and look after the plants? Could you do some weeding or even plant something new?

## Performance

Can you choreograph a dance routine or make up a play to share with your family?

## DT

Can you use some of your clean recycling to do some junk modelling? You could make a vehicle, a building or something completely different!

## Science

Could you use any ingredients from your cupboards to do some kitchen science? Could you research a famous scientist or inventor?

## Food

Can you find a new recipe to have a go at together? You could cook something savoury or bake something sweet!

## PE

Could you host your very own exercise class? You could do yoga, aerobics or get outdoors! Try to get the whole family involved!

## Life skills

Can you practise tying shoe laces on different shoes around the house? You could even give them a clean or polish!

## Music

Could you make your own musical instruments, such as a rice shaker, elastic band guitar or use glasses with different amounts of liquid to create a water xylophone!

## Art

Draw a picture inspired by The Day the Crayons Quit, using different colours than usual! Could you draw a pink elephant, a blue sun or even a black and white beach ball?
